The P.I.R.A.T.E. Foundation seeks to maximize community investment in the Boaz City Schools System to help deliver innovative and creative programming and experiences for every student and to provide students with the highest quality education possible.

The mission of the P.I.R.A.T.E. Foundation is to enhance the educational opportunities for our students and teachers by procuring financial resources to fund scholarships, programs, and grant requests for instructional need and student development which can further the goal of Expectations of Excellence, Everyday for Everyone.
Even in a progressive school system there is a need to provide programs and activities in our school that are beyond the scope of the school system’s budget. The Foundation works in partnership with the Board of Education to achieve the goals of the entire Boaz City School System. Please consider an investment today for the future of all Boaz City School students.

The Foundation is a tax exempt organization and has 501(c)(3) status and contributions to the organization are normally tax deductible.
